MESSAGE

The 34th Plenary Assembly of the Conference of Catholic Bishops of India (CCBI), held from 24th to 30th January, 2023, resolved to revitalize the 16 Commissions, the 7 Departments and the 4 Apostolates of the Conference as well as the Regional and Diocesan Commissions, through a pastoral planning process aimed at developing a comprehensive and coordinated approach to better serve the Catholic Church in India.

The CCBI decided to engage in this pastoral planning process, by responding to the question, ‘Where is God calling the Church to be by 2033?’ It has been a yearlong process, involving five thousand members of the Latin Catholic Church in India, comprising of Bishops, Clergy, Religious, Women, Men and Youth. We deeply acknowledge the contribution of all, especially the members of the Core Team and the Secretaries of the Commissions, the Directors of the Departments and the Coordinators of the Apostolates.

I am pleased to share with you the final Pastoral Plan document, titled “Journeying Towards a Synodal Church: CCBI Mission 2033.” It is the fruit of a process of conversations in the Spirit. We earnestly appeal to all to embrace this Plan. This Pastoral Plan is a mandate that we have given to ourselves. It is a project of all of us. Therefore, every individual must discern his or her potential contribution to realizing these plans at the parish, diocesan, regional and national levels. While the focus of the Plan has been on the National Commissions, we were deeply aware that the fruits of the planning would also benefit our Regions, Dioceses and Parishes.

We strongly believe that the Pastoral Plan intends to fulfil this dream of the faithful. We are happy and grateful that some Dioceses and Regions are aligning their pastoral plans with the National Pastoral Plan. The participation and contribution of all the faithful in the implementation of the Plan in the coming years are crucial. We are convinced that the laity, women and youth have much to contribute to the implementation process.

Through the implementation of the Pastoral Plan, we invite you to participate in this synodal journey. By walking together, we shall tread new pathways, realising God's invitation for us. Let us cut through our comfort zones and take new directions, guided by the Spirit, living our mission as Christians, in communion with one another and participating in the life of the Church, as its committed members. Let us forge ahead with 'Discerning Synodal Pathways to Mission.'

All Archbishops, Bishops, Priests, Religious, Laity and Youth are urged to join in this journey towards a Synodal Church that will bear abundant fruit for us all. Let us strive to build together a Church that is inclusive, synodal, welcoming and permeated with the compassionate love of Christ.

May God bless you abundantly as we embark on this journey together.

Given on 15 August 2024
on the Solemnity of the Assumption of the Blessed Virgin Mary and
on the 78th Independence Day of the Republic of India

Filipe Neri Cardinal Ferrão
President, Conference of Catholic Bishops of India
Archbishop of Goa and Daman

I came that they may have life and have it abundantly. I am the Good Shepherd. The Good Shepherd lays down his life for his sheep.

I am the Good Shepherd. I know my own and my own know me, just as the Father knows me and I know my Father; and I lay down my life for the sheep. And I have other sheep that are not of this fold. I must bring them also, and they will listen to my voice.

John 10:10b-11,14-16a

1. Introduction

In every age Jesus Christ, the Good Shepherd, opens the door of salvation. He speaks to his Church, guiding her, caring for her and giving her abundant life. The mission of the Church is to offer this abundant life to all, transcending the boundaries we create. Pope Francis interprets the image of the Good Shepherd as a relationship that Jesus had with his disciples - a relationship based on tenderness, love, mutual knowledge and the promise of an immeasurable gift – In contemplating this page of the Gospel, we can understand the kind of relationship that Jesus had with his disciples: a relationship based on tenderness, love, mutual knowledge and the promise of an immeasurable gift: “I came”, Jesus said, “that they may have life, and have it abundantly” (Jn 10:10). This relationship is the model for relations between Christians and for human relationships. (*Pope Francis, Regina Caeli, May 11, 2014*) The life that Jesus Christ gives us satisfies our deepest aspirations and needs, bringing us to communion with God and with one another. The type of love, made possible by God’s grace, inspires our movement outside ourselves, towards others (*Fratelli Tutti, 93*); the love that derives pleasure in the well-being of the other.

Considering this and recalling the mandate of the Second Vatican Council to Bishops to exercise their office of father and pastor as good shepherds, unifying and moulding their flock into one family, so that all, conscious of their duties, participate in the action of love (*Christus Dominus no. 15*), - the Bishops of the Conference of Catholic Bishops of India (CCBI) resolved to engage in a comprehensive Pastoral Planning process. Amid the ongoing Synod on Synodality, the Conference of Catholic Bishops of India embarked on a journey to discern the Holy Spirit’s guidance, posing the question, “Where is God calling the Church to be by 2033?”

In steering the Church on “Journeying towards a Synodal Church: Mission 2033” the ‘Pastoral Plan’ serves as a transformative road map for the Church in India. This initiative represents a bold step towards a vibrant, inclusive and synodal Church, one that embraces the principles of shared leadership, mutual listening and collective discernment. This meticulous process engaged approximately 5,000 delegates across the country, encompassing bishops, clergy, religious and laity, with a special emphasis on youth and women, thereby fostering a sense of participation and collective ownership.

This current initiative aims to re-envision the CCBI’s Commissions, Departments and Apostolates, thereby empowering regions and Dioceses to manifest the abundance of life which Christ offers for the Church’s mission and activities. A Pastoral Plan framework was introduced to enhance the understanding of the planning process, using spiritual conversation methodology to elicit stakeholders’ visions for CCBI’s Commissions. Its orientation is towards mission, and its practice involves gathering in assembly at each level of ecclesial life. The process involved reciprocal listening, dialogue, community discernment and creation of consensus that seeks Christ’s presence and the guidance of the Holy Spirit. (*Instrumentum Laboris, Synod on Synodality no. 5*).

We sincerely acknowledge the contribution of everyone. We are pleased to share with you the final Pastoral Plan, titled “Journeying towards a Synodal Church: Mission 2033”. It is the fruit of a process of conversation in the Spirit. We earnestly appeal to all to embrace this Pastoral Plan. It is a project for all of us. Therefore, every individual must discern his or her potential contribution to realizing these plans at the Parish, Diocesan, Regional and National levels. While the focus of the Plan has been on the National Commissions, Departments and Apostolates, we were deeply aware that the fruits of the planning would also benefit our Regions, Dioceses and Parishes.

God is calling us to the fullness of life – to deepen the quality of our faith, life and mission at all levels. We strongly believe that the Pastoral Plan intends to fulfil this dream.

2. The Historical Milestones

The Conference of Catholic Bishops of India (CCBI), a canonical Episcopal Conference established in 1988, is the fourth largest in the world and the largest in Asia. The CCBI continues to grow and diversify. Currently, it comprises 16 Commissions, 7 Departments and 4 Apostolates, each dedicated to fulfilling the mission entrusted by the Risen Lord.

The five documents that have served as milestones and sources of inspiration in advancing this Pastoral Plan include:

1. The ‘Pastoral Plan for the Church in India’ (December 2013)
2. The CCBI’s ‘National Synthesis of the Synodal Consultation’ (August 2022)
3. The CCBI’s “Response to the Document for the Continental Stage” (DCS) (January 2023)
4. The Federation of Asian Bishops’ Conferences (FABC) ‘Asian Continental Assembly on Synodality’ (ACAS) (March 2023)
5. The FABC ‘Bangkok Document’ (March 2023)

In 2013, marking its Silver Jubilee, the CCBI had published the **‘Pastoral Plan for the Church in India 2013.’** This initiative responded to the Vatican II’s call for a renewed Church, emphasizing the pressing need for collaboration, cooperation and coordination in carrying out the mission. The Pastoral Plan 2013, developed by 223 delegates—including bishops, clergy, religious, and laity—served as a guideline for Dioceses to formulate their own Pastoral Plans. It focused on four dimensions of the Church’s life and mission: the profession of faith, the celebration of faith, the living of faith through service and the sharing of faith.

Ten specific areas of pastoral focus were identified in the Pastoral Plan 2013 for the Church in India:

Faith formation; 2. Safeguarding families; 3. Promoting the role of the laity; 4. Empowering women; 5. Mobilizing and engaging youth; 6. Proclaiming the Gospel; 7. Fostering ecumenism and inter-religious dialogue; 8. Contributing to Nation-building efforts; 9. Caring for ecology and 10. Utilizing mass media effectively.

The **Synod on Synodality** initiated a consultative process across all 132 Dioceses including Religious Congregations in India. Through this process, the CCBI's National Coordination Team synthesized reports from across the country and identified five pastoral priorities:

- Overcoming divisions based on caste, language, ethnicity and social status through communion and community building.
- Empowering the laity for greater participation by providing a clear pastoral framework, optimizing the use of their gifts and charisms.
- Emphasizing an inclusive model of collective discernment and decision-making, involving the laity and women religious and restructuring pastoral systems accordingly.
- Cultivating a vibrant spiritual life within the community by prioritizing faith formation, enhancing liturgical celebrations, delivering meaningful and scripture-based homilies, and providing sensitive pastoral care.
- Making the pastoral engagements in India visible to the faithful and advocating for issues such as migrant rights, ecumenism, environmental consciousness, supporting the marginalized in health and education, and serving as the conscience of the society.

The **Document for Continental Stage** (DCS), developed under the guidance of the Holy See, synthesized the feedback from the Episcopal conferences all over the world. The CCBI's National coordination team collated responses from 96 Dioceses and religious congregations.

1. Escalating divisions based on caste, language and ethnicity.
2. Disconnect between hierarchical and charismatic ministries.
3. Exclusion of youth and women from decision-making processes.
4. Inadequate synodal formation in seminaries.
5. Ongoing faith formation in synodality as a priority.
6. Enhanced pastoral care for families.
7. Active inclusion of youth and women in administrative roles.
8. Bolstering Basic Ecclesial Communities (BECs).
9. Addressing divisions, fostering inclusivity and empowering marginalized voices within the Church's structures and practices.

The priorities outlined in the FABC's **ACAS Document** are as follows:

- Emphasis on ongoing education for all levels of the Church community and cultivation of a Synodal culture.
- Central themes of inclusivity and hospitality, advocating for pastoral care for marginalized groups, such as women, youth and various vulnerable populations.
- Concept of missionary discipleship, emphasizing personal encounters with Christ and interfaith dialogue, utilizing technology for evangelization.
- Emphasis on accountability and transparency, particularly in financial matters and decision-making processes, alongside the call for greater involvement of the laity.
- Envisioning prayer and worship as culturally integrated, participatory experiences that animate the faithful.
- Urging the Church to lead in environmental stewardship, promoting a Green Church model and emphasizing the spiritual and social dimensions of ecological concern.

In response to the call for synodality and commemorating the 50th anniversary, the Federation of the Asian Bishops' Conferences released the **Bangkok 50 Document**, focusing on the themes of Communion,

Mission and Participation. Within this framework, nine areas for pastoral outreach were identified:

- Providing support to migrants for their formation and empowerment.
- Nurturing families through Basic Ecclesial Communities (BECs) to facilitate their growth.
- Advocating for gender equality and inclusivity, particularly for women and LGBTQIA+.
- Reaching out to youth through initiatives, such as faith formation, career guidance and counselling.
- Encouraging active engagement in the digital sphere to become positive influencers.
- Prioritizing assistance to the economically disadvantaged within the current economic structure.
- Promoting climate resilience and reducing greenhouse gas emissions.
- Fostering inter-religious dialogue.

3. Context of our Nation and Church

India is a vast mosaic of diverse strands encompassing religions, spiritualities, cultures, traditions, languages and social strata, interwoven into a complex and beautiful tapestry. However, despite its profound spirituality, social and economic disparities deeply fragment the fabric of the Nation. As the largest democracy in the world, India is also emerging as a significant economic power. Its robust digital economy and widespread use of technology have positioned it as a leader in digital and software innovation.

The Church in India reflects these diversities and divides. Discrimination based on caste, language, ethnicity, economic status, academic standing and social status continues to fragment the community. In addition to the Latin Catholic Church, there are two other *sui iuris* Churches

– *Syro-Malabar* and *Syro-Malankara* – within the Roman Catholic Church in India, comprising over 20 million faithful. Although this is just 1.9 percent of the country's population, the presence of the Catholic Church is felt in a significant way through the education, health and social ministries.

Christians in India navigate life as a minority within a pluralistic, multi-religious, socio-political context, encountering a unique set of influences and challenges, including rural-to-urban migration, external migration and the penetration of technology and media into remote regions, reshaping lifestyles, relationships and faith dynamics. The post-COVID pandemic landscape has prompted many Christians to reevaluate their understanding of faith and community within the Parish, often leading to a more individualistic approach. Additionally, community life faces significant challenges from substance abuse, social media addiction and the disintegration of families. A new lifestyle characterized by live-in relationships is also emerging, further complicating traditional communal bonds.

The Church has become increasingly institutionalized, resulting in priests and religious personnel being predominantly occupied with administrative duties, leaving them with limited time to fulfil their roles as spiritual ministers and to address the faith needs of the community. Additionally, the inadequate transmission of faith within families, coupled with consumerism, the pervasive influence of social media and comfort-seeking lifestyles, have led to a growing indifference towards faith practice. This shift has contributed to a significant decline in vocations to the priesthood and religious life.

The growing influence of Hindutva, which emphasizes a Hindu Nationalist identity, can lead to increased scrutiny and potential hostility towards minority religions, such as Christianity. Certain States have enacted laws restricting voluntary religious conversions, often

targeting the charitable activities of Christians. These laws can create a climate of fear and hinder the Church's outreach efforts.

Despite these challenges, the Church remains strong tracing its roots to the pioneers, who sacrificed so much to bring the faith to our land and emulating their example. Today, the Church in India is increasingly recognizing the laity's role as collaborators and their aspiration for a greater participation in the affairs of the Church. The cohesive spirit of the Catholic community is further strengthened by active engagement in Church activities, such as sacramental celebrations, popular devotions and communal endeavours, fostering a profound sense of familial belonging. As the present and future scenarios are filled with new opportunities and challenges for the mission of the Church, this Pastoral Plan document has been developed to build on the existing strengths, address the weaknesses, explore and maximize the new opportunities and thus respond to emerging challenges and threats as a cohesive body with the participation, contribution and ownership of many key stakeholders.

4. The Process of Pastoral Planning

The Pastoral Planning aimed at reorganising the programmes of the Commissions of the Conference of Catholic Bishops of India (CCBI) to enhance their competencies and effectiveness in mission. The CCBI Executive Committee appointed Fr Charles Leon (Coordinator), Fr Joseph Xavier S.J. (Consultant), Fr Jaison Vadassery, Fr Christopher Vimalraj Hiruthya, Sr. Lidwin Fernandes U.F.S. and Ms. Anastasia Pinto as members of the Core Team and entrusted them with the responsibility of leading the Pastoral Planning process.

Core Team Workshop in Goa

The CCBI President, Cardinal Filipe Neri Ferrão, the Deputy Secretary General, Fr. Stephen Alathara, and the Core Team members held their

first Workshop in Goa on March 10, 2023. The members appreciated the Pastoral Planning process presented by the consultant, especially the good blend of inputs, prayer and spiritual conversation, leading to communal discernment and consensus building, and decided to adhere to the framework.

National Workshop in Bangalore

A three-day Workshop was held from May 6-8, 2023, at St. John's Institute of Health Sciences in Bangalore for Commission Chairmen Bishops, Executive Secretaries, and a select group of lay representatives from 16 Commissions, 7 Departments and 4 Apostolates of the CCBI. This workshop provided the participants with an opportunity to understand the process and embrace it, in order to be taken forward to Regions and Dioceses.

Online Meetings with National Secretaries and Chosen Lay Representatives from the Commissions

Fr. Joe Xavier, S.J. led virtual meetings to outline the planning framework to the Secretaries and Commission members. Each Commission Secretary collaborated closely with their regional counterparts and key associates to develop initial plans for their respective Commissions.

Regional Workshops

Regional Workshops were conducted from July 2023 to January 2024 across all 14 Regions. These workshops saw the participation of 755 stakeholders, who engaged in spiritual conversations to discern how God wants the CCBI and its Commissions to be significantly different by 2033 to enhance their mission effectiveness. The attendees included bishops, clergy, religious and laity, with a significant representation of the youth.

Training of Trainers (ToT) Workshops as Preparation for Diocesan Workshops

The next phase involved extending the process to the Dioceses. To support this transition, the Core Team conducted Training of Trainers (ToT) Workshops from December 5-7 and 11-13, 2023, in Delhi and Bangalore. Approximately 128 ToT members were trained to facilitate one-day planning sessions within the Dioceses.

Diocesan Workshops

The Diocesan one-day Workshops on Pastoral Planning were successfully conducted from December 2023 to February 2024. Approximately 3,591 participants—bishops, clergy, religious, laity and youth—from 109 out of the 132 Dioceses took part and contributed. These Workshops were led by the Regional Deputy Secretaries and supported by the ToT members. The outcomes of the regional and Diocesan workshops were submitted to the National Executive Secretaries, who were tasked with discerning and preparing the Commission's plan document.

National Workshop for Secretaries

The National Workshop was held from March 4 to 6, 2024, at St. Peter's Pontifical Seminary in Bangalore. During this workshop, Commission Secretaries, along with 64 key individuals from the Commissions, participated and presented their plans. This event provided the Commissions with an opportunity to discern the promptings of the Spirit through collaboration with other Commission members and to explore and align inter-Commission strategies.

A few voices during the process!

“I have attended numerous workshops and seminars. I have contributed as a member of the drafting committee for the Bishops’ Conferences on various occasions. This workshop was engaging. The Church has many ideas, and we needed a professional plan framework. I can confidently say that this Pastoral Planning process fills this gap and I believe with the guidance of the Spirit the Church will be different by 2033, realising where God wants us to be by then” **Bishop Agnelo Gracias**

“I love my Church but recently I distanced myself because I felt the hierarchy did not have time to listen to us. They were interested in advising us and had a limited understanding of utilizing our skills. For the first time, I felt that I was listened to and considered as a valuable person during the regional Pastoral Planning workshop. I urge the hierarchical Church personnel to come down, be with us and listen to us. Along with you, we will take the Church forward”.

A young girl from the Chhattisgarh Region

“My friend who has contributed to the growth of the Church serving at the altar, teaching catechism, guiding youth and so on from childhood recently realized herself to be bisexual. The person was scared to reveal her gender orientation fearing exclusion by the Church. What message can I give to her? Will the Church be sensitive to the LGBTQIA+ community? Is not God calling us to work with the LGBTQIA+ community as equal partners in building God’s kingdom?” **A young girl from the Western Region**

Core Team’s Finalisation of the Pastoral Plan

The Core Team met in Goa from April 3-5, 2024, to finalise the comprehensive plan document, including annexures and recommendations, in the presence of Cardinal Filipe Neri Ferrão.

Pastoral Plan Presented for Approval to the CCBI Executive Committee

On May 7, 2024, the draft Pastoral Plan was presented to the 94th Executive Committee of the CCBI. The same was approved by the Executive Committee after review.

Workshop Participation

In total, approximately 5,000 individuals participated in the Workshops, though some may have attended more than one session.

5. CCBI Identity

The CCBI embodies and lives the merciful and compassionate face of Jesus in its life-mission.

6. CCBI Mission

The CCBI commits itself to

- a. Supporting the ministry of bishops, with an emphasis on evangelization leading to the integral development of the people we serve and exercising the pastoral functions entrusted to them: sanctifying, teaching and governing.
- b. Accompanying National Commissions, Departments, and Apostolates to ensure they are effective in realizing their mandates, working inter-ministerially and inter-generationally.
- c. Enabling the laity, women and youth to participate more fully by providing a clear pastoral framework and optimizing the use of their gifts and charisms.
- d. Aligning available human, material and spiritual resources across Dioceses, Religious Congregations and lay associations and exploring new opportunities, especially the use of technology.

- e. Making the missionary work in India visible to the faithful, particularly by walking with the excluded communities in the mission of reconciliation, justice and care for our common home, while working in collaboration and partnership with all people of goodwill.

7. CCBI Vision

Building the reign of God, where everyone, individually and collectively, experiences a dialogical and right relationship with God, one another, and creation.

8. Core Values

- Love and Compassion
- Reconciliation and peace
- Integrity and humility
- Gender equity and equality
- Social and environmental justice
- Fraternity and solidarity
- Greater glory of God

9. Core Principles

- Personhood and Common Good
- Diversity, Inclusiveness and Peaceful co-existence
- Preferential option for the excluded
- Subsidiarity and decentralized participative planning
- Shared responsibility and teamwork
- Discerning culture as a way of life
- Collaboration and sharing across Dioceses, Regions, Commissions, Departments and Apostolates of CCBI and Offices of the CBCI
- Encouraging creativity and innovation.
- Transparency and accountability in both operations and financial matters.

- Organically interconnected from Parish, vicariate/deanery, Diocese, regional and National levels with operational autonomy.

10. Mandates

1. To aspire to and realize the Church as God's home and family—a Church that is closer to the lives of its people, less bureaucratic and more relational.
2. To embark on a new path to experience and embody the missionary spirit in our context.
3. To live inter-culturally by integrating local customs and traditions into the life of the Church while remaining steadfast in its fidelity to the universal Catholic faith.
4. To actualize the call of Vatican II, Catholic Social Teachings and the post-Conciliar Magisterium within the diverse, multi-religious and culturally pluralistic context of India.
5. To embrace inclusion, diversity and the rich heritage of Asian spirituality.
6. To foster a culture of discernment in working and governing at all levels, while promoting collaboration and networking as key approaches for engaging in mission.

11. Key Shifts

1. Affirming the active participation, contribution and leadership of women and youth in all organizational structures and decision-making bodies.
2. Recognizing that the future of the Church relies on the active participation and contributions of the laity, women, youth and children, the CCBI is committed to invest in their capacity building in order to establish them as integral partners in the shared mission.
3. Embracing the principle of inclusion, the CCBI will reach out to Dalits, Adivasis/Tribals/Indigenous peoples, minorities,

LGBTQIA+ individuals, single mothers, widows, persons with disabilities, those with special needs, informal workers, migrants and the most vulnerable, with pastoral sensitivity and compassion.

4. Recognizing that we are not alone in the mission of new evangelization, the CCBI will proactively network with all people of goodwill, other *sui iuris* Churches, ecumenical Churches, faith-based and secular organizations, lay professionals, media, various decision-making bodies and government institutions.
5. Adopting the collaborative leadership model, the CCBI will build synergies across Commissions, Institutions, Congregations, Dioceses and Regions.

12. Stakeholders

- a. The primary stakeholders will be every Catholic, Church Bodies/Associations/Structures, Religious, Clergy, and Bishops coming under the ambit of the CCBI.
- b. The secondary stakeholders encompass the *sui iuris* Churches, CBCI, ecumenical Churches, faith-based and secular organizations following directly or indirectly the principles of the Catholic Social Teachings and all people of goodwill.

13. Plans of Commissions, Departments and Apostolates

15	Commission for Women	
16	Commission for Youth	

- Pastoral Plans have been prepared for 23 entities: 15 Commissions, 4 Departments and 4 Apostolates.
- No plan has been prepared for the Commission for Boundary.
- Two Departments, CDPI and ARMS, have been incorporated into the Commission for Vocations, Seminaries, Clergy, and Religious.
- No plan has been prepared for Shanti Sadan, Goa, as it serves as a training centre accessible to all Commissions, Departments and Apostolates for organizing workshops.

Comments on Plan Structure

There are Four Sections in the Pastoral Plan for each Commission, Department, and Apostolate.

- **Section 1** titled “Mission Trajectory,” addresses how each entity plans to move forward in the next 20 years.
- **Section 2** covers Goals, Objectives and Key Performance Indicators (KPIs). The Goals are stated as changed realities by 2033. Objectives are carefully chosen programmatic and structural directions or

roadmaps, considering human and financial resources and collaborative partners.

- KPIs help measure the realization of objectives both quantitatively and qualitatively.
- Although Goals, Objectives and KPIs are planned for 10 years, alterations may be made based on our learning and experiences as we progress.
- **Section 3** addresses programmatic strategies. These strategies are classified into short-term (2024-26), medium-term (2027-29), and long-term (2030-33). Strategies are restatements of objectives and KPIs in simple language for readers to understand.
- **Section 4** deals with the activity plan matrix. Currently, activities are planned only for the short term (2024-26). At the end of 2026, each Commission, learning from experiences and taking inputs from the Facilitation Committee, will develop an activity plan matrix for the medium-term (2027-29). Activities adhere to SMART principles (Specific, Measurable, Achievable, Realistic and Time-bound). Levels indicate whether activities take place at the Parish, Vicariate, Diocese, National, Institution, inter-Commission, inter-Institute levels, etc. “By when” refers to the time frame to complete the activity. “Financial resource” indicates how the activities will be financially supported. “Responsible” indicates the person responsible for implementing the particular activity. “Monitoring” refers to the monitoring of activity as per the template. There is a separate Facilitation Committee for monitoring, review and evaluation.

COMMISSION FOR BASIC ECCLESIAL COMMUNITIES

A. Mission Trajectory

The Commission for Basic Ecclesial Communities (BECs) aims to establish in every Parish a communion of communities, built on the Word of God and Eucharist, renewing the Church, and offering life in abundance for all in the context of India. It aspires to establish, empower, and sustain BECs as a manifestation of a new way of being the authentic Church, working for the transformation of society through networking at all levels (Parish, Denary, Diocesan, Regional and National) for co-responsible mission and integral development in a Synodal path. The Commission works towards the formation and empowerment of BECs in the neighbourhood gearing towards transforming them into active missionary communities. It will do this by strengthening efforts to build resources (people, materials, finance), fostering collaboration with people of other faiths to establish the Reign of God, and reinforcing the role of the clergy and the religious at all levels to be active promoters and animators of BECs and BECs become foundations to all Commissions.

B. Goals, Objectives, and Key Performance Indicators (KPIs)

Goal 1: BECs function effectively with inbuilt sustainable mechanisms in every Diocese/Parish following the model of Early Christian communities.

Objectives	KPIs
1. Forming and training Regional/Diocesan Service Teams.	<ul style="list-style-type: none"> 1. COMMISSION FOR BIBLE

A. Mission Trajectory

In the light of the CCBI Pastoral Planning, the *vision* of the Commission for Bible is to nurture a vibrant Catholic community in India, deeply rooted in the Word of God, actively engaged in discipleship, and radiating the love of Christ in the service of others.

The *mission path* that the Commission wishes to adopt is:

- (i) **Empower the lay faithful and the clergy:** equip lay faithful, catechists, catechism teachers, religious, and priests with a strong foundation for biblical interpretation, pastoral skills, and culturally sensitive communication to effectively guide and nurture families, BECs, Parishes, religious, and Diocesan communities.
- (ii) **Ignite the transformative power of scripture:** Foster a captivating engagement with the Bible through innovative study materials, storytelling, creative expression, workshops, and interactive learning experiences designed for diverse audiences.
- (iii) **Bridge the gap between scripture and daily life:** Promote the application of biblical teachings to address contemporary challenges faced by individuals, families, and society at large, such as poverty, social justice, and interfaith dialogue.

- (iv) **Harness the power of technology:** Utilize digital resources and communication platforms to reach wider audiences, particularly young people, with engaging content that connects scripture to their lives.
- (v) **Create connections within and beyond:** Strengthen collaboration amongst Catholic Dioceses, religious congregations, and lay movements. Foster interfaith dialogue and cooperation with other Christian denominations and faith traditions in India.

COMMISSION FOR CANON LAW AND OTHER LEGISLATIVE TEXTS

A. Mission Trajectory

The Commission for Canon Law and Other Legislative Texts, through its comprehensive planning, formative, and executive programmes, seeks to establish, strengthen, and maintain effective administrative and pastoral structures within the local Church. These structures will be guided by the spirit of Christ and the established teachings of the Church, contributing to a thriving and participatory community that reflects the Kingdom of God. In line with the recent emphasis on synodality, the Commission endeavours to

- a) Increase lay faithful's understanding and application of Canon Law;
- b) Empower and encourage lay faithful to fully realize their baptismal calling;
- c) Support their participation in the "*tria munera Christi*" for a more collaborative and inclusive Church, mirroring the principles of synodality.

The Commission will undertake necessary measures to draft and disseminate essential and relevant documents. These documents will be tailored to address the specific needs and signs of the times. COMMISSION FOR ECOLOGY

A. Mission Trajectory

Taking inspiration from the encyclical *Laudato Si'* the Catholic Church in India envisages a holistic perspective that goes beyond human life and encompasses Creation as the object of God's love. The Commission for Ecology aims to generate awareness of the sacredness of creation, to help us understand the adverse effects of Environmental crises, to prevent any form of action that is harmful or detrimental to the well-being of God's Creation and to encourage an Eco-friendly lifestyle, especially among the faithful, that is free from being obsessed with consumption and consumerism. To develop a working mechanism the Commission will establish Commissions in all Dioceses and Regions, document eco-friendly practices, collaborate with the government on environmental schemes and projects, identify and train eco-ambassadors to develop disaster preparedness, use technology to spread awareness, and promote innovative eco-friendly and climate-resilient practices. Green and sustainable practices will be core as we believe that we are stewards and not masters of creation.

COMMISSION FOR ECUMENISM

A. Mission Trajectory

The basic mission of the Church is to evangelize, and new evangelization demands that we bear witness to the saving acts of Christ to all. The corollary of this mandate is unity among Christians. It is, therefore, imperative that Christians come together to witness the gospel unitedly so that the world may believe in Jesus Christ (cf. Jn 17:21). The CCBI Commission for Ecumenism strives earnestly for the reception of the Second Vatican Council's teaching on Ecumenism expressed in its decree '*Unitatis Redintegratio*' through Ecumenical formation and initiatives.

The Commission for Ecumenism is committed to walk in new pathways:

- a. Dialoguing with other neighbourhood religions and Christian denominations.
- b. Respecting the uniqueness of each one's identity for collaboration.
- c. Establishing Forums and common platforms to foster unity and harmony in the society which brings fraternal solidarity.
- d. Upholding human dignity across the divisive existential realities to bring peaceful co-existence.

COMMISSION FOR LAITY

A. Mission Trajectory

The Commission for Laity dreams of building the lay faithful to exercise their specific charisms, based on *Lumen Gentium*, Vat II. Every baptized person sees the Mission of the Church as two-fold – within the Church and in society. The Church in India depends on the talents and abilities of the laypeople and how they utilize them to the fullest in the social, political, economic, and spiritual spheres. To strengthen this contribution of the laity, the Commission would initiate facilitating structures, headed by the laity, for capacity building, and participation, make available necessary resource materials and promote proactive involvement of the laity at the Parish, Diocesan, Regional and National levels. It would enhance cross-learning across Regions as some Dioceses have long-standing experiences, active structures, and programmes for the laity, and some are in the process of initiating and strengthening. As a new way of being, in the future, the Commission will collaborate and initiate joint programmes with Commissions such as BEC, Women, Youth, Family, and ARMS.

COMMISSION FOR LITURGY

A. Mission Trajectory

The Church that finds its source and summit in the liturgy draws its energy from a liturgy that is participated fully, actively, and consciously (SC 14). The liturgical renewal initiated by the Second Vatican Council has not been fully realized. Therefore, re-launching of the liturgical renewal is the mission of the Liturgy Commission. This calls for continuous efforts on the part of the Commission to organize liturgical formation for clergy, religious and laity in general and on renewal, in particular. The training and qualification of leaders who are permeated with the authentic spirit of the liturgy at the Regional and Diocesan levels are indispensable to communicating the catechetical and transformative dimensions of the sacred liturgy. The liturgical documents should be made known to the clergy and all. The Commission intends to focus on three areas: a) liturgical formation, b) training of animators of liturgy and c) publication of liturgical resource books.

B. Goals, Objectives and Key Performance Indicators (KPIs)

Goal 1: The laity, religious and clergy deepened their knowledge on liturgy and active participation of all witnessed.

2. Forming the clergy and religious at the Diocesan level	<ol style="list-style-type: none"> 1. From 2024, 150 key persons are trained in 30 Dioceses every year and by 2029, all Dioceses are covered. 2. From 2024, liturgical documents (SC, GIRM) are disseminated in 4 major seminaries and formation houses, every year. 3. From 2024, 200 clergy in 3 Regions are trained on the art of celebrating the liturgy (<i>ars celebrandi</i>) and by 2030 all Regions are covered.
3. Forming the Parish Liturgical Teams and Parish communities	<ol style="list-style-type: none"> 1. From 2025, 30 Parish Liturgical Teams and community members trained, especially the choir, lectors, acolytes, servers. By 2033, 250 Parish liturgical teams are trained. 2. By December 2028 40% of the Parishes are animated by the Diocesan teams and another 30% by December 2030
4. Finalising curriculum and publishing of material for the training of the animators	<ol style="list-style-type: none"> 1. By May 2026: Regions translate and circulate liturgical materials in local languages. 2. By 2029: Dioceses translate and circulate basic liturgical guidelines and animation guides in local languages.

5. Promoting liturgical art, music, and architecture	1. By 2027 – in 5 Regions expert committees formed and contextualized art, music and architecture promoted. By 2033 in another 5 Regions expert committees formed and functioning.

COMMISSION FOR MIGRANTS

A. Mission Trajectory

The Commission for Migrants of the Conference of Catholic Bishops of India was established in 2017, recognising migrants as blessings, who bring new experiences and vitality that enrich both destinations and sources. It aims to advocate the rights of migrants and promote policies that protect and uphold the dignity of migrants. By providing a holistic approach to migrant ministry, the Commission strives to create a welcoming and inclusive environment for all migrants. The Commission seeks to welcome migrants by setting up spaces in the destination areas for them with the assistance of the Dioceses and religious congregations and institutions run by them. It also aims to promote safe migration with dignity, create community collectives between migrants and locals, celebrate spiritual and cultural practices, establish legal cells, implement pastoral care plans, and involve migrant families and children in improving the agency of the migrants. The Commission hopes that by implementing these programmes, immigrants will feel respected and be a part of society.

The Commission is aiming to establish partnerships with religious and civil society organizations to provide ministry to migrants in both their destination and origin. This will involve training and capacity building initiatives, preparing Dioceses for pre-departure orientations on labour legislation, improved community knowledge on safe migration, and enhancing their capacities to offer specialised pastoral care. The four pillars of Pope Francis' teachings, welcome, protect, promote, and integrate, will guide our faith-inspired actions.

COMMISSION FOR THEOLOGY AND DOCTRINE

A. Mission Trajectory

In the context of India today, and in the light of the four Constitutions of the Vatican II and post-Conciliar Documents, to deepen an experience of Christ and His mission in Priests, Religious and especially the Laity who are part of a Synodal Church. Such a deepened awareness of the accompanying presence of Christ transforms all areas of our lives and is mediated through BECs, BHCs, through Catechesis in Ecclesial Associations, as well as formation workshops, seminars and symposia at the Parish, Diocesan, and National levels and the level of the Universal Church.

B. Goal, Objectives, and Key Performance Indicators (KPIs)

Goal: The Laity, as well as Priests and Religious, demonstrate an experiential understanding of a Synodal Church, in the light of Vatican II and post-Conciliar documents, and contribute to a participatory, inclusive, and witnessing Church.	
Objectives	KPIs

COMMISSION FOR VOCATIONS, SEMINARIES, CLERGY AND RELIGIOUS (VSCR)

A. Mission Trajectory

The Commission for Vocations, Seminaries, Clergy and Religious is committed to heeding the call of the priests and religious to follow Jesus and to continue His mission and ministry by responding to the socio-political, economic, and cultural challenges of our context and times. This in turn will bring about qualitative changes in the formation and life of the priests and religious in the Church in India. A decentralized and deinstitutionalized approach of the priests and religious will bring the laity to share the responsibilities and leadership of inclusive pastoral care. The Commission's engagements demand collaboration with other Commissions as the right way rather than working in isolation, to attain the goals of personal, communitarian, structural and societal transformation ushering in God's reign on earth.

There will be integral guidelines and strategies to discern vocations and to promote them considering the background of their families and socio-cultural milieu. Formation in mission and for mission together with constant ongoing programmes will be strengthened. Through meetings and seminars, greater awareness, and alignment of ARMS, CDPI and CRI will be promoted.

COMMISSION FOR WOMEN

A. Mission Trajectory

The National Commission for Women envisages bringing about an attitudinal change with regard to the dignity and role of women in the Church and society (Pastoral Plan 2013). It will build a vibrant women's movement from the Parish to the Diocese, Regional and National level rooted in Gospel values and Constitutional principles demonstrating full potential within the Church and in the secular world, facilitating equal rights and equal participation in decision-making structures, valuing differences. To promote gender equity, on the one hand, the Commission will continue to capacitate the women to affirm their role and contribution in building a gender-sensitive Church and on the other it would concretely engage in identifying, challenging, and reducing all forms of discriminatory patriarchal practices within the Church, communities and in public domain.

B. Goals, Objectives and Key Performance Indicators (KPIs)

Goal 1: Capacitated and Sustainable National Women's movement built, rooted in the Regional, Diocesan and Parish levels and function effectively through collective women leadership.

Objectives	KPIs
1. Capacity building of office bearers of Women's Commissions at the Regional and Diocesan levels	1. By 2025, Regional and Diocesan Secretaries are trained on the role and function of Women Commission and Women Cell in Parish. 2. BIOETHICS FORUM

A. Mission Trajectory

The Bioethics Forum will embody the compassion and love of Jesus Christ in serving as ministers of life. It will seek to engage Catholic healthcare institutions and Catholic healthcare workers in India to a deeper understanding of Catholic bioethics in the promotion of health and the care of the sick. This will be achieved by fostering a faith-based conscientious approach to health, well-being, and the environment.

We will engage with Catholic healthcare workers and organizations and associations across the country to develop a bioethics community that is sensitive to human, social and cultural needs, and respectful of the dignity of each person, created in the image and likeness of God.

The Bioethics Forum will evaluate new medical advances and health technologies in the light of Catholic principles and develop ethical applications in clinical practice and research. It will also respond to legal and ethical challenges as they evolve, through engagement, consultation, and discourse, guided by Scripture, the Magisterium, Tradition, and Civil and Natural Law.

PONTIFICAL MISSION ORGANIZATIONS

A. Mission Trajectory

We are part of the universal network of prayer and charity at the service of the Holy Father for fostering the mission of the Church. The active involvement of the Catholic faithful in the universal mission of the Church begins with their familiarity with the four societies of the Pontifical Mission Organizations such as (a) The Society for the Propagation of the Faith, (b) The Holy Childhood Association or Missionary Childhood Association, (c) The Society of Saint Peter the Apostle, and (d) The Missionary Union, involving a multifaceted approach aimed at raising awareness, fostering engagement, and cultivating support for their respective missions worldwide. Central to this trajectory is the strategic dissemination of information, leveraging various communication channels to animate the People of God about the significance and impact of these societies' work. Additionally, fostering partnerships and collaborations with local communities, Dioceses, religious institutions, and other stakeholders is essential for mission outreach.

Formation programs are designed to equip individuals with the knowledge, skills, and values necessary to understand and address the needs of the mission effectively. Concurrently, prayer plays a central role, serving as a source of inspiration, guidance, and strength in the pursuit of mission. So also, fostering a spirit of generosity is paramount, encouraging individuals to contribute their time, talents, and resources

towards advancing the mission of compassion and empowerment. Through this integrated approach, the mission trajectory seeks to cultivate a community of empathetic and engaged individuals who are committed to making a positive difference in our church, country, and the world.

B. Goals, Objectives, and Key Performance Indicators (KPIs)

SOCIAL APOSTOLATE

A. Mission Trajectory

Social Apostolate will make use of this Church-network of Social Development to restore the human dignity of the marginalized and downtrodden. For this, as a first step, the Social Apostolate plans to equip directors/secretaries/in-charges of social work with the necessary skills. In this process, the Social Apostolate desk will remind them of Catholic Social Teaching, which talks about ‘Option for the Poor’, ‘Human Dignity’, ‘Solidarity’, Subsidiarity’, and ‘Common Good’. Then will teach them constitutional Rights and Human Rights and equip them with skills of negotiations and dialoguing, which will facilitate them to negotiate and dialogue with duty bearers on behalf of the marginal and downtrodden. Meanwhile, directors of social work will also be equipped with the technique of fundraising and preparing theme-based projects professionally. As a second step, the Social Apostolate, will collaborate with Commissions for Migrants, Women, Ecology, Media, and Health as well as networking with like-minded NGOs. It will also train key persons on project writing and fundraising skills. The Social Apostolate together with other Commissions and like-minded NGOs, will become the Voice of the oppressed, and stand with them to get justice.

15. Facilitation Strategy

- a. A Facilitation Committee will be established for overall Monitoring, Review and Evaluation (MRE), comprising 9 to 11 members, including representatives from the Bishops, CCBI Secretariat, Executive Secretaries, Religious and Laity. The Associate Deputy Secretary General of CCBI will serve as the convenor of this committee.
- b. The committee will be responsible for supporting and guiding the National Commission secretaries, coordinators, and RDS in the implementation of the Pastoral Plan. The committee will develop appropriate tools for monitoring and reporting by the secretaries/coordinators and RDS.
- c. The committee will organize regular learning and sharing meetings, both online and offline, to foster cross-learning and enhance collaboration and strengthen working inter-ministerially and inter-generationally.
- d. The committee will guide and support the media Commission in capturing both quantitative and qualitative changes in the lives of those served. This information will be shared through reports, videos, reels, and other social media platforms to inspire, innovate, upscale and showcase the good practices in the public domain.
- e. The committee will encourage recognition and rewards to enhance volunteerism and foster a culture of sharing.
- f. By the end of 2026, drawing from the experience gained during the short-term implementation of activities, the committee will assist Secretaries, Directors and Coordinators in developing the activity plan matrix for the medium term (2027-2029).

- g. The committee would help the Secretaries, Directors and Coordinators to identify and access professional expertise.
- h. The Convenor will regularly report to the CCBI President and the Executive Committee on the progress and status of the implementation process.

16. Communication Strategy

For Dissemination of the Pastoral Plan document:

- 1. Issuing a pastoral letter from the President of CCBI that outlines the purpose and scope of the Pastoral Plan, highlighting its benefits for Dioceses and Regions. This letter will be translated into regional languages and disseminated through Diocesan circulars and religious congregation bulletins. A press release will be distributed to all Catholic media outlets, and the same message will be communicated via a video reel featuring the Cardinal President.
- 2. Translation of the Pastoral Plan in Hindi and regional languages
- 3. Preparing digital posters, brochures, infographics, videos, and social media products.
- 4. Solemn liturgical celebration for the launch of the Pastoral Plan on Sunday, 24 November across the country, with press releases in the media.

For sharing the implementation process and change narratives:

- 1. A media team consisting of both employees and volunteers skilled in video production, poster design, and content creation will be established. This team will prioritize identifying and

engaging youth and media experts to volunteer and contribute to effectively communicating success stories.

2. A designated member of the MRE will be responsible for reviewing and approving content before publication. This individual will work closely with Commission secretaries at the National, Regional and Diocesan levels to capture and share compelling success stories related to the implementation of the Pastoral Plan.
3. Efforts will be made to collaborate with all Catholic media outlets across the country to produce content that aligns with the Pastoral Plan.
4. Additionally, videos showcasing these success stories will be translated into local languages to ensure widespread accessibility.

17. Conclusion

The Pastoral Planning process, initiated over a year ago, had been a profound journey of listening and discerning the way forward. Throughout this journey, we have felt the guiding presence of the Holy Spirit, as proclaimed in 2 Corinthians 6:16: “I will dwell with them and walk among them.” We offer our deepest gratitude to God the Father for the successful completion of this process and trust that the Spirit will continue to guide us in the coming decade as we implement this Pastoral Plan.

A dissemination strategy and a Facilitation Committee are in place to oversee the implementation of the Pastoral Plan. Each Commission, Department and Apostolate will have its own team - the National Council, to coordinate efforts towards achieving the Plan’s goals. Additionally, this Pastoral Plan is offered to all Dioceses as a framework

to develop their own strategies and Pastoral Plans, tailored to their unique situations and needs.

We move forward firmly rooted in prayer, open to God's providence and committed to diligent work. Our determination to explore new opportunities and transform possibilities into realities is unwavering. With our dedicated efforts and God's blessings, we will bear fruit. We heed His call to "Cast out into the deep" (Luke 5:4), a call that resonates in our hearts as we conclude the Pastoral Plan: Journeying towards a Synodal Church-Mission 2033.

It is fitting to conclude with the words of Pope Francis: "Pastoral ministry in a missionary key seeks to abandon the complacent attitude that says: 'We have always done it this way'. I invite everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelization in their respective communities." (*Evangelii Gaudium*, no. 33). Furthermore, the Holy Father invites us to dream with him of a "missionary option" so that the Church's customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today's world. Through this renewal, a pastoral conversion can transform every ordinary pastoral activity at every level, making it more inclusive and open to elicit a positive response from all those whom Jesus summons to Himself. (*Evangelii Gaudium*, no. 27)

As we embark on this synodal journey to become the Church that God desires us to be in 2033, we seek the maternal intercession of Mary, Mother of the Church, and St. Joseph, Protector of the Church. May their guidance and protection accompany us on this path.

Annexure A Policies

The CCBI has policies on

- a. Safeguarding of Children and Vulnerable Persons
- b. Protection of Women from Sexual Harassment in the Workplace
- c. Inclusion
- d. Gender

The CCBI and its operational areas will be covered by these policies and these policies can be accessed on CCBI website. The Dioceses and institutions working under the auspice of the CCBI must adapt these policies to their context.

Annexure B Proposals for CCBI

1. Ensuring continuity in ministries by establishing a 7–9-member National council for each Commission/department/apostolate. The proposal for composition of the council: Chairman, Member Bishops, Executive Secretary, 1 lay woman, 1 lay man, and 1 religious (male or female) and 2 others based on expertise. The National council of all Commissions will be approved by the Office bearers of CCBI and appointed by the Secretary General of CCBI.
2. Reimagining and restructuring of Commissions are required at the regional and Diocesan levels. Inclusion and shared responsibility with laity and religious would be helpful.

3. There is a need to provide handholding support to some Commissions. Identify, sponsor and train future leaders of the Commissions.
4. Consider changing the name: Commission for Catechesis to the Commission for Faith Formation.
5. Addressing the concerns of Dalits and Adivasis/Tribals/ Indigenous within the CCBI's purview, with the option of establishing separate Commissions dedicated to these concerns.
6. Prioritizing support for vulnerable and impoverished communities in weaker areas such as tribal belts and the northern parts of India.
7. Revising the CCBI Statutes based on the Pastoral Planning document to enhance organizational effectiveness.
8. Migrating to new email ids with @ccbi.in for all chairman and secretaries so that when there is change of persons, the legacy and documents could be passed on.
